

A Handy Dandy Guide for Loyal Trump Fans

From time to time when I write something about President Trump that his loyalists don't like, some of them take to social media with a variety of thoughtful observations, like "Drop Dead, Bernie!" I always welcome intelligent comments, so thanks to all of you who send messages like that.

And every now and then the loyalists have well-meaning, questions for me, like "How come you haven't dropped dead yet, Bernie?"

Thank you for those questions.

As a year end gift to those of you who send such heartfelt notes my way, I have prepared a handy dandy guide that might help answer some of your questions and deal with some of your concerns. I truly hope this guide helps:
