

DeMint on the Debt Ceiling

Sen. Jim DeMint (R., S.C.), a leading conservative on Capitol Hill, tells National Review Online that Senate GOP brass have bungled the debt-limit negotiations.

Republican senator Mitch McConnell of Kentucky, the minority leader, is part of the problem, DeMint says. Instead of enabling conservatives to propose their solutions early on, McConnell made them wait until the Biden debt-reduction talks collapsed, leaving little time to rally behind counterproposals.
