

Obama Wears a White Hat

Weirdest Friday news dump ever.

Very late in the day on October 14, the Obama administration released a lot of politically problematic information, including the news that the deficit for 2011 hit \$1.3 trillion (the second biggest ever, after 2009) and that it's abandoning the CLASS Act, one of the more expensive and unwieldy appendages of "Obamacare."

Keep reading this post . . .
