

Obama 's Blame Game

✖ By Peter Wehner

“I tell you, it’s very frustrating that it’s not breaking through, when you look at these things and their scale,” said a top Obama adviser, speaking on background to Politico. “Can you imagine if Bill Clinton had achieved even one of these? Part of it is because we are divided, even on the left. ... And part of it is the culture of immediate gratification.”

Let’s see if we can follow the bouncing ball.
