

The Arab World Knows Stuff Liberals Don't

✘ By Peter Wehner

Based on secret diplomatic cables that were published by the website WikiLeaks, *Foreign Policy* reports, "In a telling exchange at the end of his meeting with the emir, the Qatari ruler gave [Senator John] Kerry some advice for dealing with the Iranian government. 'The Amir closed the meeting by offering that based on 30 years of experience with the Iranians, they will give you 100 words. Trust only one of the 100,' the cable said."
